Celebration Of Live For Chuck Lemon.

Motion made by Louise Jensen for the O.B.C. To Host a Celebration of Life on June 12, 2021 for Chuck Lemon. This was seconded by Gary Shartzter. Motion carried.

Maintenance & Grounds:

The cleaners have asked for a \$5.00 raise. We are currently paying them \$110.00 per cleaning and they supply all of the cleaning supplies.

With Covid 19 still in existence thorough cleaning is a must and they do a great job. Molly suggested we increase the rate to \$120.00 per cleaning. Discussion followed.

Motion made by Gary Shartzter to increase the amount paid to the cleaners to \$120.00 per event. This motion was seconded by Joann Holmes. Motion carried.

Membership Meeting for March 19th 2021:

Molly asked for suggestions as to what we should serve the members at the Membership Meeting this month. Lasagna was suggested and Louise Jensen offered to prepare the meal at home and then bring it to the meeting. Louise will also check on salad.

Activities:

Molly checked into Safarie in Gainesville. No dates are available at this time. Safarie is located in Gainesville.

Molly suggested Stumpknockers. It was decided that we would get together on May 9th at 12 noon for lunch. Please notify Louise Jensen if you are planning to meet for lunch.

Louise will look into planning a trip to the Withlacoochie River in the next month or two. The plan is to put the boat's in at Dunnellon, spend time on the river, followed by dinner at one of the local restaurants. May 22, is a tentative date at this time.

Christmas Party to be held at the Ocala Boat Club on the first weekend in December. Molly would like to have Patrina for entertainment if she is available. Molly will look into this.

Fourth of July Party will be held here at the O.B.C. Food and music will be provided by the O.B.C.

Ormond Beach, FL- B.J. Taylor Has made reservations for Oct./22/2021, Oct./23/21 and Oct.24/2021 at the Best Western Castillo Del Sol. The price quoted for the Ocala Boat Club Members is \$85.00 per night. Early reservations are recommended.
